OUR STORY

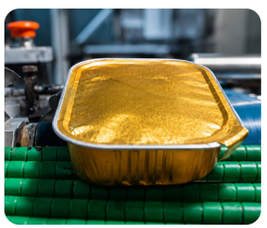

1998

UNIFO, established entirely with domestic capital, began production that same year by launching its manufacturing facility in the Gebze Organized Industrial Zone

Production of ready meals packaged under Modified Atmosphere Packaging (MAP) technology was initiated in Türkiye.

1999

2026

With its sustainable growth strategy, innovative manufacturing approach, and global vision, UNIFO continues to create value for the future.

2000

Military ration packs were developed in line with operational requirements under the guidance of expert dietitians and put into production.

The first export of military ration packs was successfully completed.

2006

The meat processing facility and the company's seventh food production plant became operational.

2024

2007

Retort flexible laminated packaging used in production was co-developed with local manufacturers and started to be produced in Türkiye.

tada, UNIFO's innovative, youthful, and dynamic brand, entered the retail market.

2010

2013

UNIFO expanded its product range for diverse consumer and operational needs by introducing its foodservice powder product line

UNIFO continued its global growth by expanding its export operations across international markets, particularly in Europe, the Middle East, and the Americas.

2014

With investments in Sakarya and Yozgat, UNIFO's food production network expanded to four factories, significantly enhancing production capacity and product diversity.

2015

A dedicated production area for gluten-free products was introduced at the Sakarya facility, enhancing production capabilities and broadening the product portfolio.

2016

With the launch of the Yozgat Tuna Factory and waste recovery facility, the food production network expanded to six factories, further strengthening an environmentally responsible production approach focused on
